

Art Experiences

These art experiences are crafted for groups who want to share something different—creative, relaxing, and memorable—during their time together. Each workshop is a chance to explore creativity, enjoy a fun and relaxing atmosphere, and be guided by a professional artist with years of teaching and exhibition experience. Participants leave not only with new memories but also with their own unique artwork to take home.

Paint and Sip

Colors of Miami

Objective: Relax and connect in a creative atmosphere.

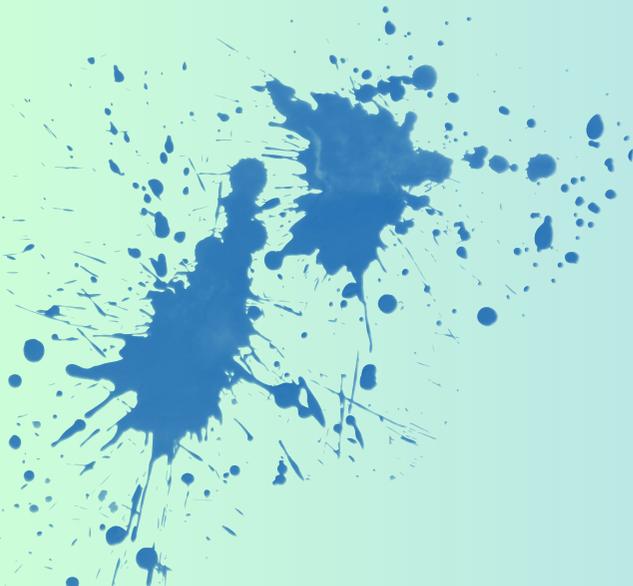

- Each participant paints a small canvas guided step by step by the instructor.
- Suggested themes: nature, Miami cityscapes, or abstract motifs that can be personalized.
- The session is accompanied by a glass of wine and soft background music.
- At the end, each participant takes their artwork home as a memory of the experience. Optional: include the company logo or corporate concept in the final artwork.

Duration: 2 hours

Minimum: 4 participants

Cost: \$50 per person

Collective Painting

One Canvas, One Team

Objective: Foster collaboration and unity.

- Instead of individual paintings, participants work on sections of a large painting.
- At the end, all pieces are joined together, forming a unique collective artwork.
- The mural can be displayed at the company office as a symbol of teamwork and creativity. Optional: incorporate the company's values, colors, or slogan into the final design.

Duration: 2 hours

Minimum: 4 participants

Cost: \$50 per person

Clay Modeling

Create with Your Hands

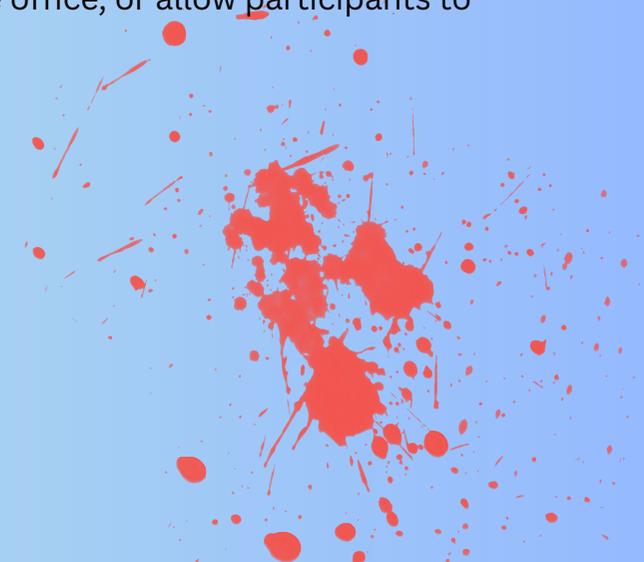

Objective: Stimulate focus, patience, and creativity.

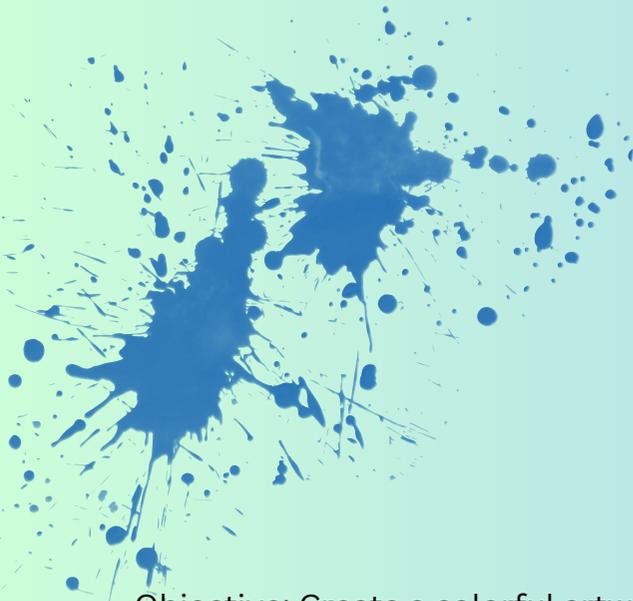

- Guided activity where each participant sculpts a small piece in clay (an animal, a symbolic object, or an abstract shape).
 - The process begins with basic geometric forms and develops into a personalized creation.
 - This hands-on experience helps participants relax and explore creativity through touch.
 - We use air-dry clay that does not need firing. Final artworks needs two days to dry completely.
- Optional: display all the clay pieces together as a temporary installation at the office, or allow participants to take their creations home.

Duration: 2 hours

Minimum: 4 participants

Cost: \$65 per person

Mozaic

Pieces That Matter

Objective: Create a colorful artwork step by step.

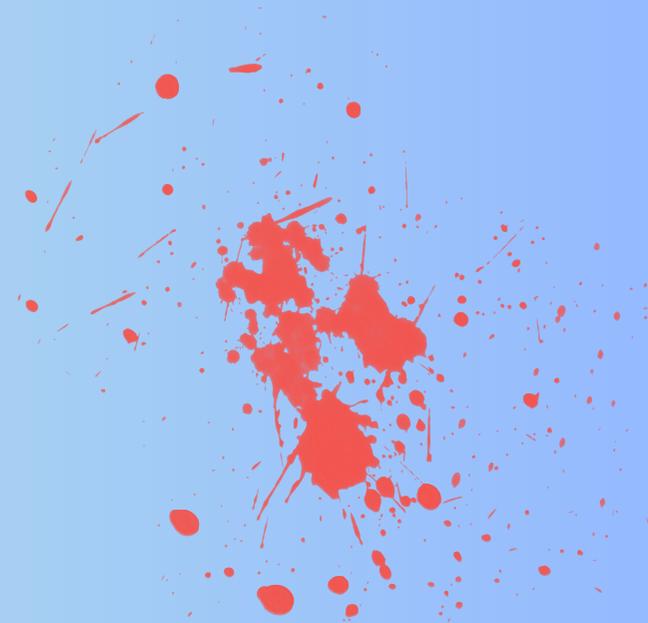

- Each participant receives a base, small colored pieces, and adhesive to design a mosaic.
- Guided process: arranging pieces, creating patterns, and applying grout for a durable finish.
- Relaxing and hands-on activity, perfect for groups.

Participants take home their finished mosaic or the company can assemble them into a larger collective artwork.

Duration: 2 hours

Minimum: 4 participants

Cost: \$65 per person

Tree of Ideas

One Team, Many Roots

Objective: Build a collective artwork that represents the team's identity.

- Each participant decorates a paper "leaf," symbolizing their unique contribution to the group.
- All leaves are assembled into a mural shaped like a tree.
- The final mural can be taken back to the office as a symbol of the team.

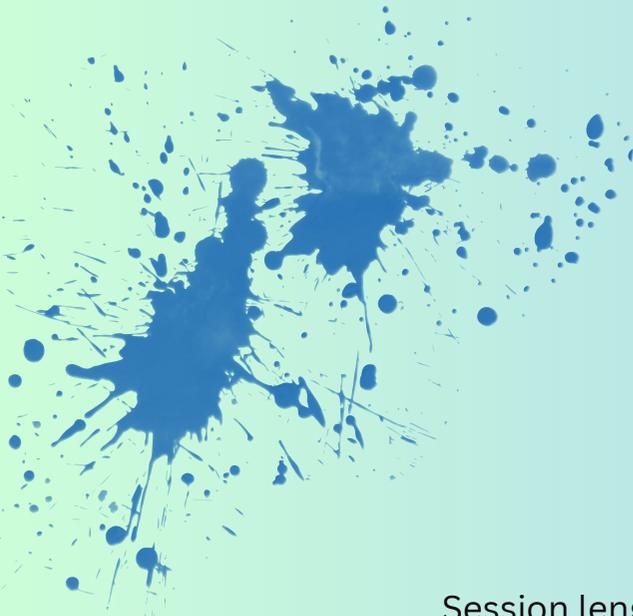

Optional: customize the mural with corporate colors or motivational phrases.

Duration: 2 hours

Minimum: 6 participants

Cost: \$50 per person
